Located on the south shore of Okanagan Lake, British Columbia's finest full service all-season resort includes 203 lake and mountain view deluxe guestrooms and suites, each with it's own balcony. The hotel is decorated in deep, rich colours and textures reminiscent of ancient Tuscany. For groups of 10-1,000 our elegant convention and meeting facilities include a 9,000 sq.ft. ballroom and seven lakeview breakout rooms.

The Hooded Merganser Bar & Grill, situated over Okanagan Lake, is an upscale casual restaurant serving the best contemporary cuisine in the Okanagan Valley. Our newest addition, Bufflehead Pasta and Tapas Room, with it's rich and inviting decor and fabulous views, features traditional fine Italian cuisine. The Barking Parrot Bar is Penticton's hot spot to unwind after a day on the links or enjoy an apres ski beverage and a game of pool.

Pamper yourself at the Shingata Hair Salon, browse through the Discovery House Gift Shop, test your luck at Lake City Casinos or enjoy the Lakeside Fitness Club, indoor pool and whirlpool. Parasailing, kayaking, jet skis and boat rentals are at your doorstep and our marina is perfect for boating enthusiasts to dock for lunch or dinner. Golfing and skiing are only moments away.
